Letra: Yes to Love - Stefano

Artista: Stefano. Canción: Yes to Love. Álbum: Yes to Love - Single.

The first time I saw you coming through that door
I remember every detail down to the clothes you wore
Such a vision baby, like nothing I?ve seen before
Looking at you now I?d say for sure

It was the best day of my life
?Cause ever since you everything?s right
Yeah, the best days of my life are all ahead
?Cause we both said yes to love
Yes to love, yes to love, yes to love,
The best day

No other day before this can compare
The way I see you baby like a vision standing there
Hallelujah comes to mind, there?s never been a better time
And with you right here I know

Cause baby it?s the best day of my life
?Cause ever since you everything?s right
Yeah, the best days of my life are all ahead
?Cause we both said yes to love
Yes to love, yes to love, yes to love
Yes to love, yes to love, yes to love
The best day

Nobody knows how faith works in your life
People come and go from time to time
And you could?ve made a left turn and now you?re right
And you could be out with someone else tonight

And I?d have missed the best day of my life
I?d have missed the best day of my life
The best days of my life are all ahead
?Cause we both said yes to love
Yes to love, yes to love, yes to love
Yes to love, yes to love, yes to love
The best day...
